

Ø 70 PE plug

Grey PP type 4 cap with Alu/PE wad

Optimized land seal

Rolled on aluminium thread

100% recyclable seamless aluminium bottle

Storage and transport of aromatic ingredients and chemicals

- liquid products
- viscous products
- pasty products
- powdery products

TYPE 4

Made of 99,5% pure aluminium, Type 4 bottles have an excellent mechanical resistance and preserve the chemical neutrality of your products.

This range also allows a very convenient handling and an efficient emptying thanks to its wide neck.

Main uses

Dedicated to the storage and transport of viscous or solid aromatic ingredients, non sterile pharmaceutical bulk, lacquers, adhesives...

TYPE 4

Light and resistant

- 99,5% pure Aluminium.
- Excellent mechanical resistance : against shocks, perforations and bumps caused during the dispatch (compression).
- Chemical resistance directly ensured by Aluminium or, if necessary, thanks to an epoxy-phenolic coating.
- Protection against gas and light.
- Keeps the product cool during storage.
- Lightness close to plastic materials.

User friendly

- Same closure system for the whole range from 2,5 L up to 30 L.
- Easy emptying thanks to 68 mm aperture. Efficient grip of Type 4 closure.
- Option : double handle for easier carrying and capping / tightening tool.

Tightness

- Seamless structure.
- Optimized land seal surface.
- Resistant and compressible liner (PE foam/Alu).

Options

- Plain Aluminium finish standard.
- External lacquering, silk-screen printing or overcaps: please contact us.

Recyclable

- High value of Aluminium scrap.
- Bottle is made of 100% Aluminium.

Note: user is responsible for the compatibility of its product with the Tournaire packaging system, see our general sales terms.

Complete range from 2,5 L up to 30 L

Capacity (ml)	Quantity per carton	Quantity per pallet	Outside thread Ø (mm)	Inside neck Ø (mm)	Outside body Ø (mm)	Bottle height (mm)	Label height (mm)	Weight (g)
2 500	60	420	87	68	120	281	221	245
5 500	26	156	87	68	175	284	208	320
6 250	26	156	87	68	175	325	249	442
12 500	9	90	87	68	220	399	305	740
30 000	4	33	87	68	300	534	410	1 650

Indicative standards in mm and ml - Total height and weight without closure.

Closures

- Standard type 4 Cap: 200 pces per carton • Ø 70 plugs: 570 pces per carton
